ANNUAL STUDENT EXHIBITION

Our Student Exhibition is held once a year at the end of Term 3

FUNDAMENTALS OR INTENSIVES?

**WHICH ART CLASS IS RIGHT
FOR YOUR CHILD?**

All our classes are curriculum based, designed to give students well rounded skills and knowledge in all areas of art over time.

We highly recommend any students aged 8+ who are seriously interested in art to do both types of classes to get the most from their art education.

ART FUNDAMENTALS

CORE CLASSES | AGES 5 - 14

Through study of the Elements and Principles of Art, our Fundamentals classes give children the tools to create and explore, easily producing beautiful work that they can be proud of. They will create many exciting, hands-on projects each term to develop their individuality, independence, and self-expression, including learning and drawing inspiration from History, Art History, Geography, Global Cultures, Literature and more.

2024 Art Fundamentals classes will be focusing on 'Art through the Ages; How art developed throughout ancient history'.

THE ART FUNDAMENTALS ARE IDEAL IF YOU ARE LOOKING FOR:

- Multiple projects/artworks completed per term
- Every project is new and different
- Exposure to many different art mediums and materials at the same time
- Creating and learning about art from History, Art History, Geography, Global Cultures, Literature and more.
- Participation in the annual Art Exhibition

ART INTENSIVES

EXTENSION CLASSES | AGES 8 - 16

These classes are for dedicated art students who are looking to obtain and expand their creative tool boxes with access to advanced art knowledge and skills. Topics and techniques for these classes will be learnt through use of workbooks, practice and repetition, and will be vital for any student serious about their creative practice.

101 Students will learn two topics a term, and the Advanced students will learn one topic a term.

THE ART INTENSIVES ARE IDEAL IF YOU ARE LOOKING FOR:
